

Giving Through the Envelope Giving Scheme

Instead of giving loosely into the offering plate, All Saints, Ascot Heath has an envelope giving programme for all regular worshipers whether you are on the electoral role or not. The programme provides donors with a packet of 52 envelopes dated for each Sunday in the year and registered under a unique donor number. The system is administered by Peter Cleare and the results are turned into our treasurer, Tina Bailey to record. Provided a donor has signed a Gift Aid form, Tina's records will be used to enable the church to reclaim the tax back on the donor's gift. While it is not as simple a system to administer as the Standing Order Programme, it is a relatively simple system to administer and it provides the donor with an envelope to place in the collection plate each Sunday they are present. With respect to planned giving, it also enables a donor to easily keep track of whether a set weekly or monthly gift amount has been given.
